- Student's who walk to and from school, please do not climb the fence on the west side of the school. Climbing the fence not only damages the fence, but becomes a safety issue if someone fell and injured themselves.
- Students, please be aware that all school rules including dress code will be enforce at all athletic events.
- Students, just a reminder that if the fire alarm goes off during passing period, you should exit the building immediately and report to the evacuation site which is the east parking lot. You should then report to you next period teacher at the evacuation site. If you have any questions, please ask your teachers.
- Student's, you may sign up for your VOE form in the assistant principal's office. You will need this form to get your driving permit and license. The AP office will need a 24 hour notice and will not give out VOE's on the same day you sign up for them.
- The annual food/toiletry drive is a great way for students to show service to their community. With that said, the Student Council is going to sponsor a contest to inspire and hopefully bring in more items during 3B classes. The class that donates the most items will win an ice cream party during their lunch. It begins today and runs through November 20.
