

Rehearsal Checklist

Here is a list of things for you to check every day at rehearsal!

- ✓ **Do you know what part you are?**
- ✓ **Is your partner at rehearsal? If he or she is not, make sure you rehearse your part onstage with both casts, and at the next rehearsal, tell him or her what he or she missed.**
- ✓ **Do you have a pencil?**
- ✓ **Do you have your script?**
- ✓ **Did you write down all of your blocking (movements) so you will remember it next time?**
- ✓ **Are you on the correct side of the stage for your next entrance?**
- ✓ **Are you listening and paying attention?**

If you have any questions, please ask the assistant director or the stage manager. They can ask Mrs. C. That is why they are here.
