Today only, we will have a shortened DEAR time during our Activity Period. For the last half of DEAR time, we will be watching an address from President Obama on our school Vbrick. Because yesterday was actually the first day of school for many schools across the United States, the president spoke live to our nation's students yesterday about the importance of starting the school year right by persevering, working hard, and expecting excellence from ourselves – all qualities that we're working on through our own Seahawk PRIDE program. We will watch President Obama's taped address for the last part of our DEAR time today. I hope that it will inspire each of you to continue to do your best this year and to continue to walk with PRIDE.

1. Hello, Seahawks! Starting this week, our Scoggins volleyball and football teams will begin competing and many of you will want to come out and support our Seahawks! We love to see all of you coming out to cheer for our teams, but we want you to understand our expectations for all of our student spectators. If you come to the games, you must remember that you are representing what the parents and public think of Scoggins Middle School, so our expectation is that your Seahawk PRIDE should always be on display. This means that you stay seated in the stands to cheer for our teams, and do not constantly run back and forth to the concession stands, between gyms, or to the bathrooms. All food and drink must stay out of the gyms. Also, we expect you to cheer appropriately for your teams - show class and respect to the schools we compete against, and remember that adults around you can hear your conversations, so be sure to keep them appropriate and clean.

A big and very important reminder is that you must be picked up on time - this means that you do not wait until the game is over to call your parents to pick you up. If you are calling them, always call at the beginning of the last quarter, and ask them to pick you up in 15 minutes. This will ensure you (and we) are not waiting too long for your ride. If you are not picked up 15 minutes after a game has ended, then you will not be allowed to return to the next event. This is true for all games and events, so if an administrator from another school lets us know that we had students who were picked up late, you will still not be allowed to attend further Scoggins events.

School pictures and student ID pictures will not be available until early October, so we will issue temporary Student Event passes until those come in. You may get into games free of charge as long as you present these passes, so be sure to take care of yours until your student ID comes in. We will distribute those temporary passes to you this week.

We look forward to seeing you cheer on your classmates at the games, concerts, plays, and events this year, and to seeing you show your Seahawk PRIDE through your behavior!

2. Tardies - this is a reminder that tardies will begin tomorrow, Tuesday, September 1. Please remember - if you are having continual problems with your locker, you must communicate with Ms. Garcie or Mr. Pogue right away so that they can help you. If you don't communicate with them about that, we'll assume you're ready to go for tardies to begin on Tuesday!

3. Have you seen the Headless Horseman ride through town in the middle of the night? I hear he's on his way through Sleepy Hollow to the battle grounds to find his head... 1. Attention all Seahawks: Now that you've learned this week about Seahawk PRIDE, teachers, principals, counselors, and staff members will be watching to see if you are showing your PRIDE through your actions. Scoggins staff members have PRIDE tickets to give to students who are displaying Perseverance, Respect, Integrity, Determination, and Excellence in their behavior. If a staff member gives you a PRIDE ticket, please write your name on it, and turn it in to Ms. Bland in the counselor's office. Every 3 weeks, we will draw names from our PRIDE tickets to receive different prizes! Coming soon are PRIDE signs to help remind every Seahawk to display these qualities each and every day, so watch the hallways for PRIDE signs soon! Awesome first week, Seahawks! Keep showing that PRIDE!
