

September 2009

Dear Parents:

The Holiday Season can be a difficult time for many families in the Frisco area. Small World is an organization dedicated to helping families with school age children during a hard time of the year. One way that we help is by providing parents with assistance in gift giving during the Holidays. This is possible due to the generosity of private individuals, corporations, and enormous efforts from our school district, their staff, and parents.

The attached form is our way to identify children that could benefit from this wonderful program. If you feel that the Angel Program can help put some joy and cheer in the life of your child, let us know who you are by filling out the Angel Application and returning it with your child to his/her school, no later than **Wednesday, September 30, 2009**. Please make sure that you return the form **complete** with all the necessary information. This program does include the siblings, in school, (up to the age of 15). As soon as Small World receives the forms, we will begin to set up sponsorship.

Small World is a Non-Profit Organization that has been helping Frisco children and their families for the past 12 years. We depend on the good will of our sponsors to make wishes come true. Our only request is that when giving us your wishes and needs, you keep requests **reasonable**.

We do not discriminate based on gender, race, or faith. **The form is due back to the school by Wednesday, September 30, 2009. We are limited on space this year and will only accept completed applications.**

*We always look forward to putting a smile on a child's face.*

Respectfully,

Randi Davis
