

FRISCO ISD ATHLETIC POLICIES

It is the desire of the administration and coaching staff of the FISSD that being an athlete will be one of the highlights of his/her secondary school career. Being a FISSD athlete is a privilege, and is one that carries with it many responsibilities. As athletes in the FISSD, our young people have an image to reflect. That image is one of positive leadership, character, responsibility, and great competitive spirit. Participation in the athletic program and/or University Interscholastic League contests is not a right but a privilege. No student is required to take part in the contest or activities. Therefore, it is imperative that all students taking part in the program understand the following Athletic Policies and conform to the rules therein and that the coaches of the sport or activity shall have every right to remove these privileges. The following policies will be in effect for all athletes in the FISSD in order to be eligible to participate in any competitive sport, practice, or program directly related to improvement in a sport.

On the Field or Court

The athlete must refrain from the use of profanity or resorting to illegal tactics. He/She must learn that both winning and losing are a part of the game and that you have to be a good loser as well as a gracious winner. Temper fits, flagrant violations of rules, etc., will not be tolerated. Total respect to officials is an absolute must. The coach will discuss any calls made by officials. Any behavior contrary to the above mentioned or any other act, which is not conducive to good sportsmanship, may result in removal from the contest.

Personal Appearance and Grooming

Participation in competitive athletics is completely voluntary on the part of all students. To participate in athletics in FISSD, there are certain standards, which must be maintained. One such standard is acceptable grooming and personal appearance.

1. **Uniformity:** Athletes do much traveling to other schools, towns, communities, restaurants, etc., as representatives of the FISSD; therefore, they should be groomed in a manner of which our community, school, and sponsors will be proud. We expect our athletes to set the example for our school in the area of grooming and personal appearance.
2. **Self-Discipline:** One of the rewards of being an athlete is learning to discipline himself/herself. There is no better way to acquire self-discipline than to make sacrifices. Giving up untidy fads of dress and appearance is a very small sacrifice.
3. **Hair:** In accordance with school policy, hair shall be clean, well groomed, and out of the eyes and shall be styled in a way that is not distracting and/or designed to be conspicuous. The athlete's hair should be neatly trimmed to meet his/her coach's satisfaction. Bleaching and dying of hair a different color is unacceptable!!! Facial hair such as mustaches, beards, goatees, and extremely long sideburns are not allowed.
4. **Dress:** The athlete should be neatly dressed which includes shoes and socks and complies with all other school rules relating to dress not covered in these policies.
5. **Body Art/Piercing:** The athletic department realizes that sometimes athletes will have tattoos and body piercing. However, tattoos should not be visible when representing FISSD as an athlete. The same holds true for earrings, belly button rings, and the like. Examples deemed inappropriate include: practice, games, banquets, and at tournaments. Tattoos should simply have tape or a band-aid over them, while the body jewelry can simply be taken off.

Disrespect to Teacher or Coach

Any act of disrespect by an athlete to his/her teacher, coach, or member of school administration will be handled on an individual basis. Punishment may call for expulsion from athletic activities for one calendar year from date of incident. His/Her return would be determined by his/her conduct during the period of the expulsion.

The following rules apply to all athletes at all times:

1. No use of tobacco of any kind;
2. No drinking of alcoholic beverages; and
3. No abusive drugs (marijuana, narcotics, etc.)

These rules apply to all athletes at all times during his/her school career.
