Bio & Education

This is my 8th year of teaching and second go around here at Fisd. I have also taught in Arizona and in the Austin area in addition to 3 years at Frisco High. Prior to that I spent 15 years as an IT consultant including some time at EDS.

I graduated from the University of Dayton (home of the Flyers) in 1987 with a Bachelor's in Computer Science-Physics and a minor in Math.

Course Taught

I teach Math Models and TAKS Lab.

In the past I have also taught Computer Science, PC Maintenance, and Computer Applications.

Activities/Hobbies

- Wife - Angel, Daughter - Madyson (6)
- Enjoy golf and most other sports

Wakeland High School
2009-2010
