Bio & Education

I have taught choral music in Texas public school for 21 years. I attended Baylor University where I received the Bachelor of Music Education and Master of Music degrees. I am also a professional pianist and organist. I really enjoy playing. I am grateful to have played in the Meyerson Symphony Center, England, Latvia and many other venues around Texas and the United States. One memorable Sunday morning, I played with then President Bill Clinton and family in attendance.

Course Taught

I am the head choir director and I conduct the Varsity Chorale, the Concert Girls Choir, the Treble Chorus, the Male Chorus and our pop group, the Jazz Tonez.

I am grateful to have a wonderful Associate Director, Kelley Rodriguez. Mrs. Rodriguez assists with all aspects of the program. She is a talented conductor, pianist, arranger and musician.

Activities/Hobbies

- Proud dad of four children
- Proud grandfather of one grandson (a granddaughter is due in December!)
- I enjoy sports (especially baseball)
- I love to travel
