### Bio & Education

I received my BBA in Computer Information Systems from Southwest Texas State University. While getting my M.Ed. in Secondary Education they changed the school name to Texas State University, but it will always be SWT to me!! After getting my receiving my teaching certification I worked at Georgetown High School for five years. While there I taught BCIS, Web Mastering, Web Mastering II, and Desktop Publishing. This is my first year at Fisd and I'm very excited to be at Wakeland.

### Course Taught

I currently teach Digital Graphics and Animation during 1A, 2A, 1B, 2B, 3B; and Web Mastering during 3A.

### Activities/Hobbies

- Enjoy scrapbooking activities and spend WAY too much money doing it
- Proud mom to a Yorkshire Terrier (who has trained me very well) and a cat
- Really enjoy reading, watching movies and catching up on my favorite TV shows
