

JULIE GREENE

Mathematics

greenej@friscoisd.org | 469-633-5700 ext 75717

Bio & Education

I earned my B.A. ('81) and M.B.A. ('86) from Michigan State University in East Lansing, Michigan. I spent my professional career as a marketing executive in Michigan and New York. In 1999, my family and I moved to Texas; and I left the corporate world to be a full-time mother. I have a passion for learning and a love of math, so when my daughter entered kindergarten, I decided my encore career would be as a high school math teacher. I returned to school in 2003 to take more math classes and in 2008, I earned my teaching certificate in mathematics. I joined Wakeland High School's staff in 2008. I enjoy teaching young people math and look forward to a productive year.

Course Taught

I teach Geometry and 11th-12th Math TAKS Lab.

Activities/Hobbies

- I have a wonderful husband, a smart and engaging daughter, two dogs and a cat.
- I enjoy spending time with my friends and family - we ride motorcycles, snow ski, go boating and travel.

Wakeland High School
2009-2010
