### Bio & Education

I received my Bachelors of Science degree from Eastern Michigan University and began teaching in Garland ISD. There I taught Algebra I, for two years, at Brandenburg Middle School. Wanting to experience high school I moved up to Shepton High School in Plano. While at Shepton I taught Algebra I, Geometry, and Algebra II. After a long commute to Plano everyday, I decided to move a little closer to home. That's how I ended up at Wakeland! I've been at Wakeland since it opened in 2006 and absolutely love it! Currently, I am completing my master's degree in Educational Leadership.

### Course Taught

#### A-days

1A - PreAP Geometry

2A - PreAP Geometry

3A - PreAP Geometry

#### B-days

1B - PreCalculus

2B - PreCalculus

3B - Student Congress

I am available for tutorials in the Math Lab most days except Thursday pm, Friday am and Friday pm.

Student Council meetings will usually be held the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays of the month in the cafeteria.

### Activities/Hobbies

- Married to my wonderful and supportive husband, Bill, for over 15 years
- Two boxer puppies (Hoss and Moses) and a cat (Maxx)
- I grew up in the bowling business so I love bowling!
- LOVE Detroit Red Wings hockey
- HUGE fan of professional and college football
