

SCOTT D. KAUFMAN

Career & Technology Education

kaufmans@friscoisd.org | 469-633-5700 ext 55790

Bio & Education

Over 25 years of expertise in Computer & Information Systems, Financial Analysis & Planning, Marketing, Sales, and Business. My work experience spans companies such as FedEx, Sprint / Nextel, and others. I earned my Bachelors of Arts (BA) from the State University of New York in Potsdam and my Master in Business Administration (MBA) from Vanderbilt University in Nashville, TN. My change from a successful career in corporate American to teaching business at the high school level represents the fulfillment of a long term goal. I am looking forward to connecting in-school education to the world of private business for the students to better prepare them for life in the working world.

Course Taught

I teach BCIS 1 at Wakeland High School on “B” days.

I also teach Accounting 1, Banking & Financial Systems, and BCIS 1 at Liberty High School on “A” days.

Activities/Hobbies

- Married for 22 years with one daughter in college and two boys, senior and a junior at LHS.
- Avid reader, DIY'r at the house, and currently restoring a 1966 Mustang Coupe.
- Watching my two boys play football under the lights on Friday Nights!
