Bio & Education

I am proud graduate of LeMoyne College in Syracuse, NY where I received my Bachelor's degree in Mathematics and Secondary Education. Upon graduation I continued my studies at Western Michigan University where I earned my Masters Degree in Educational Technology.

I previously taught for three years at Stratford High School in Houston, TX. I am thrilled to be a member of the Wakeland and Lone Star staff and am looking forward to a wonderful school year.

Course Taught

A1: Geometry D224

A2: Geometry D224

A3: Conference

A4: Geometry Pre-AP LD211

B1: Geometry Pre-AP LD211

B2: Geometry Pre-AP LD211

B3: Student Council

B4: Conference

Activities/Hobbies

- I enjoying spending time with friends, watching college football and basketball and working out.
- I have been married to my wonderful husband for just over 1 year.
- I enjoy visiting my family back home in cold and snowy Syracuse, NY.
