Bio & Education

Marketing is my passion. I love the creative and psychological aspect of Marketing. I have a BBA from Northwood University in Marketing/Management. I worked in Marketing for a couple of years, having the opportunity to travel many many places. I received my Masters of Business Administration from Texas Woman's University.

I initially began teaching in Fisd at Centennial HS. I then left for two years to another district, and now I am back at Wakeland HS.

Go Wolverines!!!
