Bio & Education

The only job I've ever wanted to do was teach; I knew this when I graduated from high school. I'm originally from Ohio, which is where I spent the last seven years teaching. I received my Bachelor's degree in English from Wittenberg University in 2002 and my Master's degree from Ashland University in 2005. This is my first year in Texas and I love it!

Course Taught

I currently teach English 1 and Pre-AP English 1 at the Lone Star campus, but I've taught a variety of courses. These include: Mythology, Poetry, Creative Writing, Gothic and Horror Literature, and English 10, 11, and 12.
