

BARRY ROSE

World Geography and Head Baseball

rosest@friscoisd.org | 469-633-5700 ext 35767

Bio & Education

This is my first year at Wakeland High School and I'm happy to be a Wolverine! I'm teaching World Geography, work in the Learning Lab, and I'm also the Head Baseball Coach. Previously I taught government and was the head baseball coach at Irving MacArthur HS for 2 years and the same at Haltom HS for 3 years. I have a bachelor's degree from UNT where I majored in Political Science and minored in History. I was born in Irving, TX and grew up and went to high school in Coppell. I've been married to my beautiful wife Jessi for 9 years and we have 2 boys, Barrett (7) and Mac (5).

Course Taught

On 'A' days I am helping in the Learning Lab 2nd period and teaching World Geography 3rd period. On 'B' days I have World Geography 2nd and Learning Lab 3rd. I have baseball 4th block each day.

Activities/Hobbies

- Coach in the Texas Collegiate League for the Coppell Copperheads during the summers. Defending TCL champs!
- I enjoy all sports.
- I also enjoy running and working out regularly. My wife and I both ran the half marathon at the White Rock last December for the first time.
