Bio & Education

I graduated from Newman Smith H.S. in Carrollton and went on to Texas Tech to earn a B.S. in International Trade. After graduating, I worked for a national fashion retail chain as an assistant buyer. Toward the end of my five years in business, I desired a job where I could give back to my community. I returned to school at Texas Women's Univ. to major in Government and receive my certification.

I returned to my alma mater, Newman Smith H.S. , and taught there for six years until I had my twins.

After a few years off, I returned to work and have enjoyed teaching at high schools in Frisco ISD for the last six years.
