Bio & Education

I come from a long line of educators, and I have had a life long interest in education. I knew from a young age I wanted to teach.

I graduated from Keller High School, and from there, I attended Texas Woman's University.

I graduated from TWU with a BA in English and a minor in History.

Upon graduation, I began my teaching career; this is my third year with Frisco ISD, and I am looking forward to many more!

My daughter began her educational experience with Frisco ISD last year, and we are both blessed to be a part of the growing Frisco ISD family.
