About PSAT/NMSQT

PSAT/NMSQT stands for Preliminary SAT/National Merit Scholarship Qualifying Test. It's a standardized test that provides firsthand practice for the SAT Reasoning Test™. **It also gives you a chance to enter National Merit Scholarship Corporation (NMSC) scholarship programs.**

The PSAT/NMSQT measures:

Critical reading skills, math problem-solving skills and writing skills

The most common reasons for taking the PSAT/NMSQT are:

To receive feedback on your strengths and weaknesses on skills necessary for college study. You can then focus your preparation on those areas that could most benefit from additional study or practice.

To see how your performance on an admissions test might compare with that of others applying to college.

To enter the competition for scholarships from the National Merit Scholarship Corporation.

To help prepare for the SAT. You can become familiar with the kinds of questions and the exact directions you will see on the SAT.
