Bio & Education

What a wonderful opportunity I have found in the Frisco Independent School District. I not only get to live my passion, but teach it as well. I graduated from Texas Tech University in Lubbock Texas with a BS in Nursing. I have since been practicing as an RN for 10 years working in areas such as Pediatric Intensive Care, Surgery, School Nursing, and currently in the PACU. This year will be my 6th year teaching in the Frisco Independent School District. I began my teaching career at Frisco High School and currently split time at Wakeland High School and the CTE Center.
