### Bio & Education

I have lived in Denton, Texas for over 40 years and graduated from Denton High and the University of North Texas with a Bachelors of Fine Arts degree in Art History, minor in French. After my children were older, I went back to UNT and received my teaching certificate in Secondary Art and went on the get my All Level Art certification. I have started three art programs, 7-12 grade in Collinsville, Texas; opened the elementary art program at Tomas Rivera in Denton, Texas; and started the art program at Pilot Point High School. I was at PPHS for 13 years and taught all art classes from Art I to all AP Art classes. This is my second year at Wakeland and my 19<sup>th</sup> year teaching Art. I am very happy to be here.
