There is a blog for PAP Algebra 2 and BC Calculus

Bio & Education

I am a graduate of the University of Portland (Bachelor of Science in Pure Mathematics) and the UNLV (Masters in Curriculum). I completed my coursework for certification at the University of Alaska at Fairbanks where I also took graduate mathematics courses and was a teaching assistant for calculus for Drs Thomas, Tape, and Gimbell.

Course Taught

A1: Algebra 2
A2: Conference
A3: PAP Algebra 2
A4: PAP Algebra 2

B1: PAP Algebra 2
B2: BC Calculus
B3: Conference
B4: Algebra 2

Activities/Hobbies

- I have a beagle
- I am involved in professional organizations
- I run the board games club and enjoy bicycling for exercise.
