Bio & Education

I am a Native Texan and proud of it. I was born and bred in the great metropolis of DFW. I attended Baylor University where I received a degree in Secondary Education with an emphasis on Social Studies. I began my teaching career at Robinson High School, outside of Waco. After living in the Waco area for a few years, I moved back to the metroplex and began teaching at Flower Mound High School. I was married in 2008 and moved to the Frisco area and found myself at Wakeland High School. I have taught many different social studies courses, by my passions revolve around cultures, interesting places around the world and the relationships that exist within geography.

Course Taught

I teach regular World Geography and Pre AP World Geography at the Wakeland campus.
I am also the co-advisor for the National Honor Society.
