The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the Term as permitted by state law.

1.2 **No Tenure.** The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure is created by this Contract. No property interest, express or implied, is created in continued employment beyond the Contract term.

II. EMPLOYMENT

2.1 **Duties.** The Superintendent is the chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed in the job description and as may be lawfully assigned by the Board, and shall comply with all lawful Board directives, state and federal law, district policy, rules, and regulations as they exist or may hereafter be amended. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board's approval. It shall be the further duty of the Superintendent to employ all other personnel consistent with the Board's policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board's lawful directives, the Board's policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the

District consistent with the Board's policies, except the Superintendent's resignation and the Internal Auditor's resignation, which must be accepted by the Board. The Superintendent shall perform the duties of the Superintendent of Schools for the District with reasonable care, diligence, skill, and expertise. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.

2.2 Professional Certification and Records. The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification or the Texas Education Agency and any other certificates required by law. The Superintendent also shall provide evidence of educational attainment, degrees earned, previous professional experience and other records required for the personnel files of the District.

2.3 Reassignment. The Superintendent is employed specifically and solely to perform the duties of Superintendent of Schools for the District and may not be reassigned from the position of Superintendent to any other position in the District except by mutual written agreement of the Parties.

2.4 Board Meetings. The Superintendent shall attend, and shall be permitted to attend, all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract, or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings.

2.5 Complaints. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention either: (a) to the Superintendent for study and/or appropriate action, and the Superintendent shall refer such matter(s) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or, (b) to the appropriate complaint resolution procedure as established by District Board policies.

2.6 Indemnification. The District shall indemnify, defend, and hold the Superintendent harmless regarding any claims, demands, duties, actions or other legal proceedings against the Superintendent, or damages incurred by the Superintendent, including court costs and reasonable attorney's fees, in his individual or official capacity for any act or failure to act involving the exercise of judgment and discretion within the normal course and scope of his duties as Superintendent of the District, to the extent and to the limits permitted by law. This paragraph does not apply if the Superintendent is found to have materially breached this Contract, to have acted with gross negligence or with intent to violate a person's clearly established legal rights, or to have engaged in official misconduct or convicted of criminal conduct, nor does it apply to criminal investigations or proceedings for actions or duties performed without the exercise of judgment and discretion within the normal course and scope of his duties as Superintendent of the District. The District may, at its discretion, fulfill its obligation under this paragraph by purchasing appropriate insurance coverage for the benefit of the Superintendent or by including the Superintendent as a covered party under any contract providing errors and omissions

insurance coverage purchased for the protection of the Board and the professional employees of the District. The Board may retain attorneys to represent the Superintendent in any proceeding for which he could seek indemnification under this paragraph, to the extent that damages are recoverable or a defense is provided, under any such contract of insurance. No individual member of the Board shall be personally liable for indemnifying and defending the Superintendent under this paragraph. The District's obligation under this paragraph shall continue for a period of no more than four (4) years after the termination of this Contract for qualifying acts or failures to act occurring during the term of this Contract or any extension thereof.

The Board shall not be required to pay any costs of any legal proceedings in the event the Board and Superintendent are adverse to each other in such proceedings.

The Superintendent shall fully cooperate with the District in the Defense of any and all demands, claims, suits, actions and legal proceedings brought against the District. The Superintendent's obligation under this paragraph shall continue after any termination of the Contract for a period of no more than four (4) years.

III. COMPENSATION

3.1 Annual Base Salary. The Superintendent shall be paid an annual base salary equal to the sum of Three Hundred Fifty-Nine Thousand, Six Hundred Seventy Six Dollars and No Cents (\$359,676.00) plus an amount equal to the highest percentage increase provided to a member of the Instructional Support Team for the 2025-2026 fiscal year, excluding increases provided based on changes in job responsibilities or market adjustments, payable in regular monthly payroll installments consistent with Board Policies.

3.2 Salary Adjustments and Incentive Pay. At any time during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Contract except by mutual agreement of the two Parties. Such adjustments, if any, shall be made pursuant to a lawful Board resolution. Furthermore, the Superintendent's annual base salary shall be increased by an amount equal to the highest raise given to the members of the Instructional Support Team in each year of the Contract, excluding raises based on changes in job responsibilities or market adjustments. If the Superintendent qualifies, he may receive incentive pay or pay for performance under the District's compensation plan, federal law, or state law. An incentive or performance payment is not an entitlement as part of his salary.

3.3 Administrative Stipend. The Superintendent shall receive an administrative stipend of Seven Thousand Dollars and No Cents (\$7,000.00) annually for administrative duties performed within the scope employment, payable in regular monthly payroll installments.

3.3 Texas Teacher Retirement System. The District shall supplement the Superintendent's annual salary, for performance of Superintendent duties, by an amount equal to the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the term of this Contract, including any extensions thereof. This supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as

applicable. The additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permissible by TRS.

3.4 Vacation, Holiday and Personal Leave. The Superintendent shall receive ten District business (10) days of vacation per year during the term of this Contract. Vacation days taken by the Superintendent will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. The Superintendent shall observe the same legal holidays as provided by Board policies for administrative employees on twelve-month contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies for administrative employees on twelve-month contracts. The Superintendent must submit unused vacation days by June 30 of each school year to be paid at his current daily rate. Vacation days will not accrue from contract year to contract year.

3.5 Insurance. The Superintendent will pay the cost of medical insurance coverage for himself and his family which he can purchase through the group health care plan provided by the District for its administrative employees. The Superintendent shall receive sick leave, vacation, life and health insurance coverage and other personal and fringe benefits provided by the District for its administrative employees in accordance with applicable law.

3.6 Professional Growth. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. The Board shall encourage the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such seminars, courses or meetings. Subject to Board approval, the District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships necessary to maintain and improve the Superintendent's professional skills. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership.

3.7 Civic Activities. The Board encourages the Superintendent to become a member of and participate in community and civic affairs, including the chamber of commerce, civic clubs, governmental committees, and educational organizations. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of his duties as Superintendent. Prior to accepting an officer position or accepting a responsibility in a professional organization, the Superintendent will notify the Board in writing of the activity. The Board will notify the Superintendent if the activity presents a conflict or interferes with the

performance of his duties as Superintendent. The District shall reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates and related travel outside of the District, subject to advance Board approval.

3.8 Outside Consultant Activities. The Superintendent may serve as a consultant or undertake speaking engagements, writing, teaching or other professional duties and obligations outside the District (referred to collectively herein as "Consulting Services") that do not conflict or interfere with the Superintendent's professional responsibilities to the District. The Superintendent may accept a reimbursement of expenses for such Consulting Services at no expense to the District. Prior to accepting a consultant or speaking engagement, the Superintendent must notify the Board in writing of the engagement. Consulting Services provided by the Superintendent under the terms and conditions of this paragraph must be consistent with state and federal law.

3.9 Expenses. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. The District agrees to pay the actual and incidental costs incurred by the Superintendent for business-related travel. Such actual or incidental costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies, administrative regulations, and state and federal laws regarding business expenses.

3.10 Mobile Telephone. The Superintendent shall pay all costs of any nature with regard to the Superintendent's business and personal use of a mobile telephone. The Superintendent shall comply with all policies, procedures, and documentation requirements established by the Board, administrative regulations, and state and federal laws regarding the use of the mobile telephone.

3.11 Annuity Contribution. The Superintendent may request the District make a monthly contribution for the Superintendent to an annuity identified by the Superintendent. At that time, the Parties will review the request to determine whether to include it in the subsequent Contract.

IV.

ANNUAL PERFORMANCE GOALS

4.1 Development of Goals. The Superintendent shall submit to the Board a preliminary list of goals for the District each year for the Board's consideration and adoption. The Superintendent and the Board shall then meet, and the Board shall approve or revise the list of goals. The Superintendent shall submit to the Board for its approval a plan to implement the goals. The Superintendent and the Board shall meet biannually to assess the goals and may adjust or revise the goals either by action of the Board or upon recommendation of the Superintendent and approval of the Board. The goals approved by the Board shall at all times be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The Board agrees to work with and support the Superintendent in achieving the District Goals.

V.
REVIEW OF PERFORMANCE

5.1 Time and Basis of Evaluation. The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Contract. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the District Goals.

5.2 Confidentiality. Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

5.3 Evaluation Format and Procedures. The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. In the event that the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the Board. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, one executive session annually to a discussion of the working relationship between the Superintendent and the Board. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI.
EXTENSION, NONRENEWAL OF EMPLOYMENT CONTRACT

6.1 Extension or Non-Renewal. The Board may extend or non-renew this Contract in conformance with the terms of Subchapter E, §21.201, et seq., Texas Education Code. In the event the Board does not renew this Contract, the Superintendent shall be afforded all the rights set forth in the Board's Policies and state and federal law.

VII.

7.1 Mutual Agreement. This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing upon such terms and conditions as may be mutually agreed upon.

7.2 Retirement or Death. This Contract shall be terminated upon the retirement or death of the Superintendent.

7.3 Termination Procedure. The Board may dismiss the Superintendent during the term of this Contract for good cause as that term is applied under Texas law, provided that the Superintendent shall be provided all procedural and substantive rights as set forth in the Board's Policies and applicable state and federal law. If the Superintendent chooses to engage the services of legal counsel to represent him in any such manner, he shall pay the costs thereof. Notwithstanding the foregoing, if the Superintendent is terminated for good cause as that term is applied under Texas law, but such good cause does not include misconduct identified in Section 21.006(b)(2) of the Texas Education Code, the Superintendent shall receive the Superintendent's annual base pay, as described in Section 3.1 of the Contract for the remainder of the then-current Term.

7.4 Resignation of Superintendent. The Superintendent may leave the employment of the District at the end of a school year without penalty by filing a written resignation with the Board. The resignation must be addressed to the Board and filed not later than the 45th day before the first day of instruction of the following year. The Superintendent may resign with the consent of the Board at any other time.

VIII. PHYSICAL CONDITION AND DISABILITY

8.1 Medical Examination. The Superintendent shall undergo a comprehensive annual medical examination, to be performed by a licensed physician mutually acceptable to the Board and the Superintendent. The physician shall submit a confidential fitness report, verifying the Superintendent's fitness to perform the Superintendent's duties, and copies of all such statements shall be confidential to the extent permitted by law. The report will be submitted to the Superintendent but shall be available for review by a Trustee at any time. The District shall pay all reasonable and actual costs of the annual physical examination.

8.2 Disability. Should the Superintendent become unable to perform any or all of the duties of his position by reason of illness, accident or other cause, and said disability exists after all sick leave and vacation time has been exhausted, the Superintendent shall be entitled up to one hundred eighty (180) days of leave of absence for temporary disability. During any time period in which the Superintendent is temporarily disabled, the Board may designate or appoint another employee to perform the Superintendent's duties. If such disability continues after the exhaustion of all sick leave and vacation time and one hundred eighty (180) additional days of temporary disability, or if such disability is permanent or irreparable as determined by the physician mutually acceptable to the Board and the Superintendent, or such disability is of such a nature as to make performance of the Superintendent's duties impossible, the Board may, at its option, terminate this Contract, whereupon the respective rights, duties and obligations herein stated shall terminate.
