### **SHAC Sub Committee Work Time**

#### **SHAC Wrap-up Session**

- Counseling & Psychological Services/ Social & Emotional Climate
  - Discussed concerns regarding SEL involvement.
  - Possibly host FaceBook Live event to answer questions for parents
- Family Engagement & Community Involvement
  - Addressed concerns about how to support families during this stressful time.
- Health Education & Physical Education/Nutrition/Physical Environment
  - Abstinence discussed programs that could be evaluated

- State mandates direct the content, so we began to discuss when and what should be introduced according to TEKS and mandates.
- Wellness feels they need more direction in exactly what they are tasked to do. They have reviewed the guidelines but need more information.
  
- Health Services & Employee Wellness
  - Wonder about baseline surveys to see what the needs of the employees are.
