

Frisco Education Foundation Donor Opportunities

Be The Difference!

Our Mission

To provide financial resources to maximize student potential in the Frisco Independent School District through educational programs, student scholarships and grants for innovative educators.

Impact

Established in 1999, the Frisco Education Foundation is a 501c3 not for profit organization working in partnership with Frisco ISD and the Frisco area community to enhance the educational opportunities of our students.

"Mindbender Academy Camp helped direct me toward greater interest in computer science and mechanical engineering. As a result, I enrolled in computer science as well as all three physics classes offered in high school to begin building a solid foundation for engineering in college."

FISD Senior Class of 2017 Alumni, E. McPeek

"The funding has helped me start my business without having to worry about paying people back, it's a huge blessing."

FISD Business Incubator Student Business Owner, U. Azmat

"I love FEF! As a graduation gift to myself for finishing my last Master's course in Educational Leadership, I am donating to FEF supporting our wonderful FISD students."

Teacher at Lawler MS, Donor & FISD Alumnus, Mrs. Gardner

"This scholarship made such a significant difference in my education. Coming out of high school, I found myself more worried than excited for the next chapter of my education. However, FEF lifted so much weight off my shoulders. I am so grateful for the help of this foundation and I hope to come back and be a donor in the future and help a student who is just like myself."

FEF Gary Burns Scholarship Recipient, N. Allahyari

Programs

Your donation helps us impact students and educators through the following programs:

FEF Scholarship Program

Through this program, the Frisco Education Foundation has awarded 7,900 graduating seniors with scholarships to colleges, universities and trade schools. The FEF Scholarship Program is only open to FISD students. For more information, please contact Terri West at westte@friscoisd.org or 469-633-6868.

Grants for Great Ideas!

Bringing innovation and creativity to classrooms, campuses and the district, this grant program is offered to Frisco ISD educators to enhance the overall learning environment. The FEF has awarded 695 educators with grants.

Mindbender Academy Summer STEAM Camp

Since 2008, Mindbender Academy has impacted 4,450 FISD middle school students, allowing them to explore college and career opportunities in the fields of Science, Technology, Engineering, Art, and Math.

Frisco ISD Business Incubator

Started in 2018, Frisco ISD Business Incubator offers high school students an authentic entrepreneurship experience by taking them through the process of building a real business and turning that business idea into an actual pitch. The Frisco Education Foundation has invested a total of more than \$20,000 into student businesses.
