

My Going Potty Story

I am learning to go potty in the toilet! This is how I go potty in the toilet.

I feel like I have to go pee or poop. I hurry to the bathroom.

I pull down my pants.

I pull down my underwear.

I sit down on the toilet seat. Sometimes I have to lift the lid first.

Now I try to go pee or poop in the toilet. Sometimes I will have to sit for a while.

I went pee in the toilet! Sometimes I go poop too!

Now I get some tissue and wipe my bottom. My mom, dad or teacher might help me with this.

When I am clean, I get off the toilet.

I pull up my underwear. I pull up my pants.

I flush the toilet one time.

I wash my hands.

I am ready to go play again!

I am happy that I can go potty in the toilet. My parents are happy too!
