## FRISCO ISD WORKERS' COMPENSATION PROGRAM EMPLOYEE INFORMATION SHEET

### GENERAL INFORMATION

The Frisco Independent School District (Frisco ISD) provides workers' compensation benefits to employees who are injured at work. This benefit will cover only a work-related injury or illness, not other medical problems. Once a claim is reported and accepted by the Frisco ISD workers' compensation program as compensable (eligible), your workers' compensation benefits begin. This is the only medical benefit you may use for treatment of your specific claim/injury, including medical examinations and medications.

The Frisco ISD workers' compensation program pays for healthcare reasonably required using evidence-based medicine in accordance with the Official Disability Guidelines (ODG) to treat a compensable injury.

**Workers' compensation claims should not be processed via personal health insurance.**

The Frisco ISD Employee Health Benefit Plan will not cover any expenses for which you should be receiving workers' compensation benefits, and you cannot use your prescription card for medications related to your injury. Workers' compensation benefits apply only if the claim is found to be compensable. A claim that is reported more than 30 days after it occurs will be denied or disputed.

---

### WORKERS' COMPENSATION CLAIMS PROCESS:

#### INITIAL REPORTING AND DOCUMENTATION

If you are injured at work, think the injury was caused by work, or a doctor tells you the injury/illness is work related, the following steps must be taken:

- 1) **You must immediately report the incident to your school nurse, your supervisor, or to Workers' Compensation.**
  - a. The campus nurse or supervisor must fill out the form DWC-1.
  - b. Employees fill out the Claims Administrative Services (CAS) Workers' Compensation Supplemental Injury Report.
  - c. You may be asked questions to enable the Nursing, Management, or Risk Management staff to complete the state required Employer's First Report of Injury Form.
  - d. We will need to know what, when, and where the injury occurred, who was involved, what part of your body was injured, what caused the accident, and who saw it happen.
- 2) **Healthcare**
  - a. An injured employee must establish care with a treating provider that accepts workers' compensation.
  - b. As a courtesy, a list of providers who accept workers' compensation insurance is within this packet.
  - c. The treating provider is responsible for managing care and specialist referrals.

- d. Email workers' compensation bills to [workerscomp@friscoisd.org](mailto:workerscomp@friscoisd.org) for review and processing.

**3) If you have any questions or need information relating to your claim contact:**

Direct Line:  
Dafne: 469-633-6346  
Lorie: 469-633-6341  
Fax Number: 469-633-6325

**4) An Election of Benefits letter will be emailed to you if you are losing time.**

As outlined by the Texas Department of Insurance, workers' compensation income benefits begin on the eighth day of disability. Income benefits are not payable for the first seven days unless the disability extends beyond 14 days. During this waiting period, employees may choose to apply their accrued leave time to maintain income.

- a. The letter is to confirm that you have elected to voluntarily use your available accrued leave to cover the initial seven (7) calendar day waiting period required under the Texas Workers' Compensation Act.
- b. If you do not lose more than (7) days and do not have any accrued time available, your payroll may be docked.
- c. There are (3) options to choose from. Details within the letter will be emailed.
- d. After the seventh day of absence with no election of benefits letter on file, the district workers' compensation program will issue Temporary Income Benefits (TIBS). TCP/WillSub+ will be coded Dock-Workers Comp.

**5) Temporary Income Benefits**

You may qualify for TIBS if your work-related injury or illness causes you to lose all or part of your income for more than seven (7) calendar days.

- a. TIBS are calculated as 70% of the difference between your average weekly wage before the injury and what you're able to earn after the injury.
- b. TIBS are subject to maximum (\$1,271) and minimum (\$191) benefit amounts set by the Texas Department of Insurance.
- c. You must notify the Workers' Compensation Department immediately if you pay child support.
- d. It is the responsibility of the employee to keep track of the days or times used to treat the compensable injury and communicate that information promptly to [workerscomp@friscoisd.org](mailto:workerscomp@friscoisd.org).

**6) Mailed documents**

- a. Be sure to monitor any mail sent to your home. Some documents may require a response or action within a specific timeframe.

## 7) Follow-up care (i.e., physical therapy, doctor re-checks, etc.)

Workers' Compensation does not cover paid time off for follow-up medical care.

- a. Most workers' compensation medical providers have hours to accommodate an after-work appointment.
- b. You should report to your supervisor each time you go to the doctor.
- c. The doctor should give you a work status report DWC-73 form after the appointment. Please forward your work status note to [workerscomp@friscoisd.org](mailto:workerscomp@friscoisd.org) for timely processing.
- d. If your treating doctor releases you to return to work with modified physical restrictions, contact the Workers' Compensation Department to determine if FISD will be able to accommodate your restrictions.
- e. You must have a return-to-work release form (DWC-73) from your treating physician to return to your full regular duties.

## **Notice of Injured Employee Rights and Responsibilities in the Texas Workers' Compensation System**

As an injured employee in Texas, you have the right to free assistance from the Office of Injured Employee Counsel (OIEC). This assistance is offered at local offices across the State. These local offices also provide other workers' compensation system services from the Texas Department of Insurance (TDI). TDI is the State agency that administers and regulates the workers' compensation system through the Division of Workers' Compensation (DWC).

Many services provided by OIEC and DWC can be completed over the telephone. You can contact OIEC by calling the toll-free telephone number 1-866-EZE-OIEC (1-866-393-6432). Additional information, including office locations, is available on the Internet at: [www.oiec.texas.gov](http://www.oiec.texas.gov). You can contact DWC by calling the toll-free telephone number 1-800-252-7031. Information about DWC is available on the Internet at: [www.tdi.texas.gov](http://www.tdi.texas.gov).

### **Your Rights in the Texas Workers' Compensation System:**

**1. You have the right to hire an attorney to help you with your workers' compensation claim.**

For assistance locating an attorney, contact the State Bar of Texas' lawyer referral service at 1-877-983-9227 or <http://www.texasbar.com/>. Attorney referral information can also be found on OIEC's website at [www.oiec.texas.gov](http://www.oiec.texas.gov).

**2. You have the right to receive assistance from OIEC if you do not have an attorney.**

OIEC Customer Service Representatives and Ombudsmen are available to answer your questions and provide assistance with your workers' compensation claim by calling OIEC or visiting an OIEC office. **You must sign a written authorization before an OIEC employee can access information on your claim.** Call or visit an OIEC office to fill out the written authorization. Customer Service Representatives and Ombudsmen are trained in the field of workers' compensation and can help you with scheduling a dispute resolution proceeding about your workers' compensation claim. An Ombudsman can also assist you at a benefit review conference (BRC), contested case hearing (CCH), and an appeal. However, Ombudsmen cannot make decisions for you or give legal advice.

**3. You may have the right to receive medical and income benefits regardless of who was at fault for your injury, with certain exceptions. Your beneficiaries may be entitled to death and burial benefits.**

**4. You may have the right to receive medical care to treat your workplace injury or illness for as long as it is medically necessary and related to the workplace injury.**

You may have the right to reimbursement of your incurred expenses after traveling to attend a medical appointment or required medical examination if the trip meets qualifying conditions.

**5. You may have the right to receive income benefits for your work-related injury.**

**7. You have the right to choose a treating doctor.**

If you are in a Workers' Compensation Health Care Network (network), you must choose your doctor from the network's treating doctor list. You may change your treating doctor once without network approval. If you are not in a network, you may initially choose any doctor who is willing to treat your workers' compensation injury; however,

changing your treating doctor must be pre-approved by the DWC if you are not in a network. If you are employed by a political subdivision (e.g. city, county, school district,) you must follow its rules for choosing a treating doctor. It is important to follow all the rules in the workers' compensation system. **If you do not follow these rules, you may be held responsible for payment of medical bills.** OIEC staff can help you to understand these rules.

**8. You have the right for your workers' compensation claim information to be kept confidential.**

In most cases, the contents of your claim file cannot be obtained by others. Some parties have a right to know what is in your claim file, such as your employer or your employer's insurance carrier. Also, an employer that is considering hiring you may get limited information about your claim from DWC.
